SAME  
AMOUNT × 2

TWO BANK TRANSACTIONS

The bank app shows two matching €84 transactions.

I think I was charged twice for the same stay. The first €84 transaction is dated 14 September, and the second is dated 16 September.

# ASK FOR RESOLUTION

**When will the duplicate charge be reversed? So the 16 September charge will be reversed, and I should check my account again on Friday, right?**

YOUR CAR-RENTAL REPORT

One €120 deposit. Two transaction dates.

Write a calm report with the amount and both dates. Then ask when the duplicate will be reversed and confirm when to check again.
