Evidence

READ

Read the booking before you answer. It is the evidence for the intended day and time.

You booked Tuesday at 7:30. Reception repeats Thursday at 7:30. Only the day is wrong.

02 / REPAIR

USE

Use the same repair pattern with a different booking detail.

You asked for room 214. Reception says room 240. The room number is the only mismatch.

Write one polite repair. Then write one question that confirms the final room number.
